Bob:

FYI:

This is the updated copy, containing some of the tweaks I could agree with (there weren't many). This is the one I want to send on to the FAR with TJ's piece (once he composes it).

Russ,

Please send me ASAP the older version of the biostimulant guidance. The one that came back from OMB that BEAD was working with – I need to get it to Nancy Beck.

I do not want or need whatever proposed changes you are making. She needs to see the older draft.

Thanks
